

Oxidative stress, redox regulation and cell fate

January 31, 2020

health
UMONS RESEARCH INSTITUTE
FOR HEALTH SCIENCES
AND TECHNOLOGY

**UMONS, Auditorium Marie Curie
Avenue du Champ de Mars 6, 7000 MONS**

INVITED SPEAKERS:

- **Prof. Haike ANTELMANN**
(Institute of Biology, Freie Universität Berlin, Germany)
- **Prof. Marc DIEDERICH**
(College of Pharmacy, Seoul National University, Seoul, South-Korea)
- **Dr. Gerd Patrick BIENERT**
(Leibniz Institute of Plant Genetics and Crop Plant Research, Germany)

Deadline for registration and abstract submission: **December 15, 2019**

Contact and Information: Thomas Zwakhals Thomas.zwakhals@umons.ac.be

For registration, please click here: **Oxidative stress, redox regulation and cell fate/UMONS**

Organizers: Bernard Knoops (UCL) President, Françoise Miot (ULB) Vice-president, Thierry Arnould (UNAMUR) Secretary, Pedro Buc Calderon (UCL), Jacques Piette (ULG), Jean-François Collet (UCL), Anne-Emilie Declèves (UMONS)
