UMONS
University of Mons

As part of the seminar cycle « **Neurosciences in Society** » organized by the Department of Neurosciences and the Department of Cognitive Psychology and Neuropsychology, we are pleased to welcome **Nellia Bellaert (Umons, & Yale University)**, PhD Student in Neuropsychology and Cognitive Psychology

She will present a lecture entitled:
« **Identifying the unique vs. shared neural mechanisms of irritability and anhedonia using ERPs** »

This **online** conference will take place on the **12th of December 2022 at 4 pm**

Participation is free of charge. However, for practical reasons, it is preferable to register by email (erika.wauthia@umons.ac.be)
