

Curriculum Vitae

Wivine BLEKIC *PhD*.

Université de Lille
Place Verdun, 1
59000 Lille (France)
wivine.blekic@umons.ac.be

Professional Experience

01/09/2025 – 30/06/2028	Part time Lecturer Cognitive Psychology and Neuropsychology Laboratory, University of Mons	Mons, Belgium
11/03/2024 – 31/08/2025	Postdoctoral Researcher Lille Neuroscience & Cognition, University of Lille	Lille, France
03/01/2023 – 29/02/2024	Postdoctoral Researcher Department of Psychiatry, NYU Grossman School of Medicine	New York, USA
15/11/2021 – 30/12/2022	Postdoctoral Researcher Department of Emergency Medicine, Columbia University	New York, USA
02/10/2021 – 14/11/2021	Postdoctoral Researcher Department of Algorithmics, University of Mons	Mons, Belgium
02/10/2017 – 30/09/2021	PhD Candidate Cognitive Psychology and Neuropsychology Laboratory, University of Mons	Mons, Belgium
30/06/2017 – 02/10/2017	Teaching Assistant Faculty of Medicine, University of Mons	Mons, Belgium

Other Professional Experience

05/10/2018 – 24/02/2019	Research Stay University of Melbourne	Melbourne, Australia
14/03/2017 – 01/04/2017	Pre-doctoral Research Stay University of Montreal	Montreal, Canada
30/06/2014 – 02/10/2014	Undergraduate Research Fellowship Cognitive Psychology and Neuropsychology Department, University of Mons.	Mons, Belgium

Education

02/10/2017 – 10/2021	PhD in Psychology and Educational Sciences Funded by the Belgian National Fund for Scientific Research (FNRS) University of Mons Dissertation topic: Cognitive biases in posttraumatic stress disorder <u>Defense date: 24/09/2021</u>	Mons, Belgium
15/09/2015 – 30/06/2017	Master's Degree in Neuropsychology (Research Track) University of Mons - First year: Magna Cum Laude (High Distinction), 80.4% - Second year: Cum Laude (Highest Distinction), 91.9%	Mons, Belgium
15/09/2012 – 30/06/2015	Bachelor's Degree in Psychology and Educational Sciences University of Mons - First year: Magna Cum Laude (High Distinction), 79.17% - Second year: Cum Laude (Distinction), 74.5% - Third year: Cum Laude (Distinction), 76.28%	Mons, Belgium

Professional Certifications

10/09/2020 – 30/06/2021	Interuniversity Certificate in Victimology and Psychotraumatology University of Brussels and University of Mons	Brussels - Mons, Belgium
08/2017 – 09/2017 Renewed in 2021, 2022 and 2023	Good Clinical Practices Certificate NIDA Clinical Coordinating Center	Online

Research Funding

Present support

09/2025 – 09/2027	Marie Skłodowska-Curie Postdoctoral Fellowship Title: HYPE: Assessing the central influence of hyperarousal in shaping trauma outcomes Lille Neuroscience & Cognition, Université de Lille, France Amount: €98,000/year	European Commission Individual award
-------------------	---	--

Past support:

03/2024 – 08/2025	Postdoctoral Fellowship Title: Peritraumatic Social Connectedness and Its Influence on Post-Traumatic Trajectories Lille Neuroscience & Cognition, Université de Lille, France Amount: €55,000/year	French National Center for Resources and Resilience (CN2R) Individual award
01/2023 – 02/2024	Postdoctoral Fellowship Title: Point-of-care prognostic modeling of PTSD risk after traumatic event exposure using digital biomarkers and clinical data from electronic health records in the emergency department setting Department of Psychiatry, NYU Grossman	National Institute of Mental Health (NIMH) Funding commitment

	School of Medicine Amount: €63,000/year	under PI Katharina SchulteBraucks.
11/2021 – 11/2022	Postdoctoral Fellowship Title: Machine learning and prediction of PTSD Irving Medical Center, Department of Emergency Medicine, Columbia University Amount: \$50,000/year	Belgian American Educational Foundation (BAEF). Individual award
11/2021 – 11/2022	Postdoctoral Fellowship Title: Use of machine learning techniques for the prediction of posttraumatic stress disorder University of Mons Research Council Amount: \$10,000	University of Mons Individual award
10/2021 – 11/2021	Postdoctoral Fellowship Title: Use of Python and R for the study of posttraumatic stress disorder Department of Algorithmics, Faculty of Sciences, University of Mons Amount: €4,500	Complexys Institute, University of Mons Individual award
10/2021 – 10/2023	Postdoctoral Fellowship Title: Use of physiological measures of attentional and evaluative threat-related biases in understanding and predicting PTSD Lille Neuroscience & Cognition (U1172; Univ Lille, Inserm, Lille University Hospital) Amount: €26,000/year	CN2R Individual award <u>Resigned in favor of BAEF fellowship</u>
10/ 2017 – 10/ 2021	Doctoral Fellowship Title: Cognitive biases in posttraumatic stress disorder University of Mons Amount: €26,000/year	FNRS Individual award
10/ 2017 – 01/ 2021	Doctoral Fellowship Title: Cognitive biases in posttraumatic stress disorder	University of Mons <u>Resigned in favor</u>

University of Mons
Amount: €26,200/year

of FNRS
fellowship

Additional Grants

05/2025	50/50 PhD Fellowship Doctoral engagement fellowship jointly funded by the University of Mons and the CALYPSO Fund of University of Lille Project led by Dr. Wivine Blekic, Prof. Mandy Rossignol, and Prof. Fabien D'Hondt Amount: €26,000/year
05/2019	Research Grant for Eye-Tracking Equipment Acquisition Amount: €40,348.98
12/2019	Academic Grant for Workshop Organization Covered travel and accommodation costs of the invited expert Amount: €1,600
09/2018	Wallonia-Brussels Federation Grant for Research Stay in Australia Amount: €2,333
07/2015	Undergraduate Research Grant, University of Mons Amount: €1,500

Awards

11/2018	Best Poster Award Association for the Study, Modification, and Therapy of Behavior (AEMTC)	Mons, Belgium
10/2018	Promising PhD Student Selected for an excellence program in eye-tracking dedicated to innovative studies Eye Tracking Research & Applications (ETRA) Doctoral Symposium	Warsaw, Poland

06/2017	Best Poster Award Cognitive Psychopathology Reflection Group (GREPACO)	Lille, France
10/2016	Best Poster Award Belgian Brain Congress	Mons, Belgium

Teaching Experience and Responsibilities

Lecturer

Course: Computational Approaches in Psychopathology

Faculty of Psychology and Educational Sciences, University of Mons

2025–2026; 30 hours/Year

Course: Cognitive Approaches to Posttraumatic Stress Disorder

Faculty of Psychology and Educational Sciences, University of Mons

2017 – Present; 2 hours/year

PhD supervision

- 2025–2028: Wendy Pletu: Multimodal assessment of hyperactivation symptoms in PTSD (UMONS / ULILLE)
- 2024–2027: Nice-Glyne Hyacinthe: Complex PTSD in Port-au-Prince (UMONS/HAITI)

Master's student supervision

- 2025-2026: Multimodal assessment of hypervigilance symptoms (1 student – Lille)
- 2025-2027: Neuropsychological assessment of reward processing among PTSD victims (1 student – UMONS)
- 2025-2027: Impact of PTSD on the social network of the victim (2 students - UMONS)
- 2022-2024: Prediction of PTSD using machine learning algorithms (1 student - NYU)
- 2021–2023: Loss of control and PTSD among Belgian flood victims (1 student - UMONS)
- 2019–2021: Hypervigilance: between anxiety and PTSD (2 students – UMONS)
- 2018–2020: Complex trauma and attentional control (2 students - UMONS)
- 2017–2019: Cognitive biases in PTSD (2 students - UMONS)

Scientific and Administrative Responsibilities

Professional Memberships

- International Society for Traumatic Stress Studies (ISTSS)

- European Society for Traumatic Stress Studies (ESTSS)
- Belgian Association for Psychological Sciences (BAPS)

Conference and Symposium Organization

- Abstract reviewer for the 38th, 39th, and 40th Annual Meetings of the ISTSS
- Organizer of a symposium at the 39th ISTSS Annual Meeting (2023):

Computational methods in the prediction of posttraumatic stress and response to therapy: state of the art, challenges and future directions

Speakers: Matteo Malgaroli, PhD; Santiago Papini, PhD; George Bonanno, PhD; Wivine Blekic, PhD

Personnal oral presentation: Blekic, W., Shalev, A., D'Hondt, F., & Schultebraucks, K. (2023).

Data-driven approaches for predicting PTSD: an integrative conceptual model

Service to the Scientific Community

- Reviewer since 2019 for: Journal of Anxiety Disorders, Journal of Interpersonal Violence, Frontiers in Psychology, European Journal of Psychotraumatology
- May 2023 - Reviewer for an ERC Consolidator Grant proposal at the request of the European Commission

Science Communication and Public Engagement (Vulgarisation Activities)

I am actively involved in science communication initiatives aimed at disseminating research findings on trauma, memory, and posttraumatic stress disorder (PTSD) to the general public, professionals, and individuals with lived experience.

- Scientific Exhibition and Public Outreach

Participation in a national science exhibition on the life and work of PhD researchers in Belgium, which led to a peer-reviewed vulgarisation publication:

Du Brulle, C., Cultrera, L., Vachaudex, A., & Blekic, W. (2025). Découvrez la science, la recherche et l'innovation "Made in Belgium". Belgium: Daily Science ([here](#))

- Popular Science Article

Author of a vulgarisation article published by the Observatoire de la Santé PROBTP:

Memory and trauma: when the past shapes our present ("Mémoire et traumatisme : quand le passé façonne notre présent"), aimed at translating scientific knowledge on traumatic memory into accessible language for non-academic audiences ([here](#))

- Podcast Production and Lived-Experience Collaboration

Contributor to a podcast episode on social support and PTSD produced by the Centre National de Ressources et de Résilience (CN2R), co-created with individuals living with PTSD:

Fragments, le podcast du CN2R, Episode #5: Retrouver les autres ([here](#))

This project combined scientific expertise with lived experience to promote public understanding of recovery processes and social connectedness after trauma.

- **Radio Outreach**

Guest on the RTBF radio program *Les Éclaireurs*, presenting and discussing findings from a research study conducted with professional firefighters, focusing on trauma exposure and mental health outcomes ([here](#))
